

ECA SUMMER CAMP FAQs

How do I register?

Register at ecanewington.com/summer-camp. With any questions, please call the ECA Office at 860-667-3407.

Are the extra activities and field trips an additional cost?

No, the cost for the on-site special activities and off-site field trips is built into the cost this year.

How can I stay informed of special activities and other day-to-day activities?

A weekly newsletter is sent out to all registered campers' parents. Also, you can follow our social media pages on Facebook, Instagram, and YouTube.

What should campers bring with them each day?

There is a comprehensive list of items found in the camp packet when registering. Definitely a refillable water bottle and lunch, but there may be other items listed there that you will want to know about.

How do I communicate dietary restrictions?

There is a section in the registration form for communicating these important details. We keep digital and physical records in our school office and all classrooms.

Who should I contact if I have additional questions or concerns?

You can contact our Summer Camp Director, Katie Gouvin, at katie@ecanewington.com or our Assistant Director, Johnny McPhee, at johnny@ecanewington.com. You may also reach out to our school office at school@ecanewington.com or 860-667-3407.
